Shawano Dollars for SCHOLARS.

DFS REPORT

November 2010

President's Message

As we begin a new year, I would like to thank you for your dedication and support. Dollars for Scholars is off to a great start and I am honored to serve as the President of this outstanding organization. The Board's commitment must remain consistent and we need to continue to focus our efforts on activities that will raise the money necessary to allow us to assist Shawano High School graduates with their

post secondary education. Dollars for Scholars awarded 96 scholarships totaling \$70,000.00 to our 2010 graduates. Since the establishment of the Dollars for Scholars organization, a grand total of 1099 scholarships totaling \$617,000.00 have been awarded!

As we are all aware, the cost of everything continues to escalate at a disturbing rate and this includes tuition costs. This

presents Dollars for Scholars with the challenge of raising the funds necessary to award scholarships during such a troubled economic time. I am up for this challenge and am committed to assisting the youth of our community achieve their goals. We must all work together and rise to the challenge and continue to increase the number of scholarships and the total dollar value award.

My focus this year will be increasing the endowment. We can make this happen by:

Encourage your friends, family, co-workers to become a 54166 member.

Seriously consider upgrading your current contribution level and also encourage others to do the same.

Include Shawano Dollars for Scholars in your estate planning and suggest this to your family

The board has made contributing and upgrading easier by adding more levels to the endowment and offering a 10 year payment plan.

As we all know, the Gala, which will be held April 29th 2011, is our largest fund raiser and we are dependent on the Gala's success. This year we are raffling off a Harley Davidson Heritage Softtail motorcycle and hope to raise money equal to the Gala! We purchased the motorcycle and are only selling 2000 tickets at a cost of \$20 each. We need to sell all of the tickets and need your help. Please contact Christa Schoenhofen at (715) 524-3249 or myself at (715) 526-6196 to get tickets or if you know anyone interested in a ticket.

In closing, I want to say a special "Thank You" to Rhonda Krueger for mak-

ing the 2010 Gala a huge success and Steve Miller 2009-2010 President for his dedication and commitment to the organization. I would also like to thank retiring board member, Todd Stiede for his years of dedication and hard work on the Dollars for Scholars board. Without your support, the support of our community and endowment members, Shawano Dollars for Scholars would not be the great organization it is today.
