

New Board Continued from page 2

I have lived in Shawano for most of my life. Following graduation from the Shawano High School I attended U. W. Oshkosh and obtained my bachelors degree in social work. I then worked for the Shawano County Department of Social Services for five years. During this time I completed my masters degree in school counseling from U. W. Oshkosh. After finishing my masters degree I was employed as a counselor in the Bowler School District, and I now am a school counselor at the Shawano Community High School.

During my free time I enjoy spending time with my family and friends. In addition, my husband, Mark, and I are looking forward to and planning for the birth of our first child in December.

**Todd Stiede, Principal
Shawano Community High School**

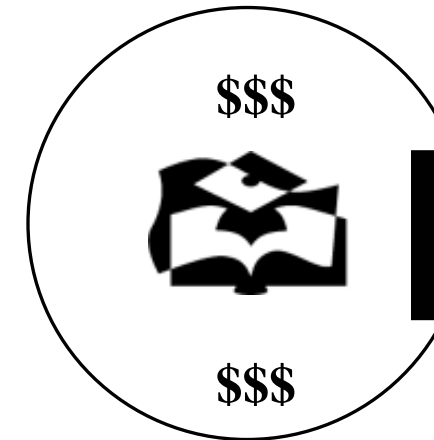

I have lived in Shawano County my entire life and the Shawano Community has had a positive influence on my growth as a student and a leader. My wife, Susan, is also an educator and we have three children. Jordan is a third grader, Paige is a second grader, and Trevor is a three year old.

Prior to coming to Shawano I served as an associate principal at Green Bay West High School for nine years. I began my teaching career at Pulaski High School where I was an agricultural education instructor. I earned my M.S. degree from the University of Wisconsin - Milwaukee and my B.S. degree from the University of Wisconsin - Platteville.

The majority of my free time is spent with my family and helping my children's skills grow in academics, athletics and musical talents. I enjoy reading to my children, assisting in musical instrument lessons and cheering for them in their competitions.

Shawano Dollars for Scholars

DFS REPORT

VOLUME 10, ISSUE 1

Fall 2003

DFS APPROVES NEW \$1,000 SCHOLARSHIPS FOR 2004

The DFS Board of Directors recently approved a new exciting scholarship level for 2004 Shawano graduates.

For each Diamond member of the Endowment Program, we will offer a \$1,000.00 scholarship. We are excited about this opportunity of increasing our level of scholarship and are hopeful that the number of members in the Diamond category increases to allow us to further enhance the scholarship opportunities. A Diamond level of the Endowment Fund is a \$25,000 or more commitment. We are thankful for the Egan Foundation, Jacobson Family, and Bleser Family commitments at those levels.

DFS SUSTAINING DONOR REACHES \$100,000.00

The tenth annual Dan K. Jacobson Memorial Golf Classic was held on June 9, 2003, at Golden Sands Golf Club. The event raised an additional \$10,000.00 for DFS. This brings the Jacobson family total donation over the past ten years to \$100,000.00. We thank the Jacobson family for their generous and continued support of the DFS program. It is businesses like theirs that make the Shawano community strong.

HAWK PRIDE, INC.

The Small Business Development Class at SCHS taught by Darlene Shingler and business consultant Dave Kerber has once again donated part of their profits to DFS. This year's donation of \$741.00 brings the Hawk Pride Inc. Business total donation to \$4,258.00. Students are learning first hand that one goal of a good business is to give a portion of their profits back to the community. DFS appreciates your continued support!

Lifetime Learning
Scholarship
Maureen Unger

THREE NEW BOARD MEMBERS

Three new board members started their duties at the September 8th board meeting. They are:

Steve Grover

Steve Grover is the newly appointed Treasurer for the Shawano Dollars for Scholars. Steve graduated from Shawano High School and received his bachelor degree in accounting from UW – Milwaukee. Steve has experience in public accounting and is currently the Controller at Schmidt Lumber of Shawano.

Whenever possible, Steve will find a good reason to be outdoors. He enjoys sawing lumber on his portable sawmill and he spends a lot of time trying to outsmart rainbow trout and whitetail deer.

Amy Schwitzer

I am excited to be part of the Dollars for Scholars Scholarship Committee. I value the efforts and commitments this organization makes for our future leaders.
