Shawano Dollars for Scholars

DFS REPORT

VOLUME 10, ISSUE 2

Winter 2004

HOW TO GET DFS SCHOLARSHIPS

Any Shawano Community High School graduating senior that has applied to a post-secondary institution (4 year college or 2 year associate program) is eligible to apply for a Dollars For Scholars Scholarship. Eligible students can apply for all scholarships through a single application form. The application forms are scored anonymously by “Dollars For Scholars”, Distribution Awards Committee.

Dollars For Scholars will be presenting three \$1000.00 scholarships, which will be on merit and financial need. In addition, over 40 \$500.00 scholarships will be presented based on merit only and merit/financial need. Applications can be picked up from the guidance office of Shawano Community High School. Applications are due by March 1, 2004.

**DFS MUSICAL VARIETY SHOW
PLANS UNDERWAY**

The second Dollars For Scholars Musical Variety Show is being planned. The date is SATURDAY, JUNE 26, 2004 at 7:00 PM at Shawano High School Auditorium. The first show, held in January 2003, was a great success, raising over \$4000. for DFS Scholarships. Due to popular demand, another show is being organized.

The show will feature talent of SCHS graduates who have gone into the field of music, as well as area adult musicians. Music styles range from jazz to gospel to classical to Broadway. Performers include vocal and instrumental solos and small ensembles. If last year’s high-quality concert was any indication, this year’s program will be another evening of great entertainment – save the date and don’t miss it!

**\$15,000.00
CONTRIBUTION**

The Bleser Family Foundation presented a check for \$15,000.00 to DFS in December. We wish to thank Mary Bleser Hayes and the foundation for their generous contribution and the continued support of Dollars For Scholars. This goes along way in helping to attain our new goal of \$750,000.00 in the endowment fund.

JOHNNY APPLESEED SCHOLARSHIP

This year will see the return of the Johnny Appleseed Scholarship. It will be used to fund campus tours of UWGB and NWTC. The 8th graders from Shawano Community Middle School, Sacred Heart, Saint James, and Divine Savior will attend these campus previews. It is hoped that students will have a chance to see what campus life is like and stimulate an interest in furthering their education after high school. Students will depart on April 5th or 12th from the schools and return for the afternoon busses. There will be approximately 270 students on 6 busses attending this educational opportunity. Students will see several presentations; hear from various groups, and faculty members at each school. Thank you to Dan Labby, SCMS principal, for organizing this field trip experience.
